### ***Notice to Creditors Regarding Plan Provisions***

**Binding Effect of the Plan:** The plan will be binding upon creditors if approved at a confirmation hearing. You should review the plan carefully as your legal rights may be affected. You may wish to seek legal advice to understand its terms and to protect your rights.

**Written Objection to Confirmation:** If you disagree with the terms of this plan, you must file a written objection with the U.S. Bankruptcy Court by the date of the Meeting of Creditors and serve it upon the trustee and debtor's attorney or, if not represented by an attorney, the debtor. If you fail to file a timely written objection to confirmation of this plan and the plan is confirmed by the court, you will be bound by its terms.

**Plan Payment:** The debtor must make the first payment proposed by the plan within 30 days after the plan is filed or the order for relief is entered, whichever is earlier, or the case may be dismissed without further notice.

**Proof of Claim:** To receive payments, you must file a proof of claim. You may file the proof of claim electronically if you are a registered participant for electronic filing. If not, a blank claim form is enclosed for your use. The form must be fully executed, legible and you must attach any required documentation. It must be filed with the court and served upon the debtor's attorney or, if not represented by an attorney, the debtor.

**Distribution of Funds:** Payments will be disbursed by the chapter 13 trustee consistent with 11 U.S.C. § 1326(b)(1) and according to the plan. Creditors secured by personal property will receive adequate protection payments contemporaneous with other administrative claims. Non-administrative priority and unsecured claims under 11 U.S.C. § 507 will be made in their order of priority, except that allowed claims under § 507(a)(1)(B) which may be listed as an optional provision of the plan will be paid after other priority claims. Payments must be credited in accordance with the terms of the plan and § 524(i).

**Treatment of Secured Claims:** The valuations shown will be binding unless a timely objection to confirmation is filed. Secured claims will be allowed for the value of the collateral or the amount of the claim, whichever is less. The remaining balance of any partially-secured claim will be treated as a general unsecured claim. If the time value of money (interest rate) is not specified, it will be paid at an annual rate of seven percent (7%).

**Adequate Protection Payments:** Subject to the trustee's monthly disbursement cycle, the trustee will disburse adequate protection payments commencing within 30 days after a proof of claim is properly filed, documenting the nature and extent of a claimed lien. Adequate protection payments may be no less than the monthly depreciation of the collateral.

**Proposed Compromise:** If the debtor has proposed a compromise affecting your collateral, you may either accept, reject or renegotiate the proposed compromise. If you reach an agreement, the resulting claim will be treated as a secured claim under § 506 and the plan may be confirmed. If you do not affirmatively agree, you must file an objection to confirmation (see above), and the confirmation hearing will be continued for consideration of a modified plan.
